MVP Health Care Directory of DenteMax Network Providers

Introduction

This directory provides a list of DenteMax network of providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (your contract).

Under your MVP dental benefit, you have access to the DenteMax network of dentists listed in this directory, or you can choose to go to any dentist. Generally, your costs will be lower if you go to a DenteMax dentist. DenteMax dentists have agreed to charge a fixed amount as payment in full for all of the services they provide. You will not be billed for additional costs for dental services covered by the plan.

If you choose to go to any other dentist out side of the DenteMax network, you may pay more. The dentist can bill you for additional costs if what they charge is more than the fixed amount for services covered by the plan.

In addition to the benefits offered as part of your MVP plan, you can also see a DenteMax dentist for additional dental services that are not covered by this benefit for a lower cost to you. Show your dental ID card with the DenteMax logo to receive services.
