

Medicare Advantage Health Plans MVP SmartFund™ (MSA) Individual Enrollment Application

Please contact MVP Health Plan if you need this information in another language or format, such as Braille.

By completing this Enrollment Application, I agree to the following:

SmartFund (MSA) is a Medicare Advantage plan and has a contract with the Federal government.

I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan. It is my responsibility to inform you of any health coverage that I have or may get in the future.

I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future.

Enrollment in this plan is generally for the entire year. I may leave this plan ("disenroll") during the Annual Enrollment Period that is October 15–December 7 of every year (effective the following January 1) or under certain limited special circumstances, by sending a request in writing to SmartFund (MSA). If I choose a Medicare MSA plan and haven't before joined an MSA plan, then change my mind, I may cancel my enrollment by December 15 of the same year by contacting my plan to cancel my enrollment request.

I understand that my enrollment into an MSA plan isn't complete until the bank account is established. I understand that I am enrolling in a plan that doesn't pay for Medicare covered services until a high deductible is met, but MVP Health Plan allows me to use funds in my MSA account to pay for health services. Withdrawals made from the MSA bank

account aren't taxed when used for IRS-qualified medical expenses. I would owe income tax and up to a 50% penalty for withdrawals used for non-medical expenses. After the deductible is met, the plan pays 100% of Medicare-covered services.

If I have any questions regarding the initial set-up of my MSA bank account or any of the information in this enrollment form, I should contact MVP Health Plan at **1-800-665-7924**.

SmartFund (MSA) serves a specific service area. If I move out of the area that SmartFund (MSA) serves, I need to notify the plan so I can disenroll and find a new plan in my new area.

Once I am a member of SmartFund (MSA) I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from SmartFund (MSA) when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan.

I understand that if I am getting assistance from a sales agent, broker, or other individual employed by or contracted with MVP Health Plan, he/she may be paid based on my enrollment in SmartFund (MSA).

I understand that if I disenroll before the end of the plan year (December 31), MVP Health Plan may debit my MSA bank account for a prorated share of the current year's deposit to be returned to Medicare. The debit amount is based on the number of months left in the year after the disenrollment date. I understand that, if I die, my estate will be responsible for any money owed to Medicare. My estate keeps any amount over what is owed to Medicare.
